各位嘉宾、女士们、先生们：

我仅代表中国机械工业国际合作股份有限公司，热烈欢迎各位光临由我司和荷兰阿姆斯特丹 RAI 国际会展中心共同主办、由中国汽车工业协会汽车零部件再制造分会支持的 2020 Rematec Asia 亚洲再制造展览会。

今年对于中国制造业而言，是极为特殊的一年，全国乃至全世界的零部件再制造企业，也都在经历一场压力测试。然而越是困难，越是要破冰向前；越是困难，越是要迎难而上。今年在展会的筹备过程中，我们极为重视对企业复工复产情况的调研，哪些措施可能帮助企业快速回到正轨，哪些利好政策值得期待，哪些方式可以帮助企业和采购商、经销商建立起纽带，也是我们在一直重点探讨的问题。

非常欣喜的，我们在今天迎来了 2020 亚洲再制造展览会的开幕。本届展会将齐聚国内顶尖再制造企业，且迎来了部分 OE 再制造和外资零部件再制造企业的参与。

为加强疫情期间中欧汽车零部件再制造行业的交流，展会同期将召开“2020 中欧汽车零部件再制造峰会”，峰会以“规范化发展的中国汽车零部件再制造产业”为主题，邀请国家汽车零部件再制造行业主管部门领导、科研院所权威专家、国内外知名再制造企业、国际再制造企业和外资 OE 企业再制造部门参会。

今年的 Rematec 剧院中的活动也同样值得期待，在为期三天的展会中，这里将全天候的举办十多场集新技术、新产品、新理念为一体的技术研讨、买家配对及行业交流活动。各类演讲和小型论坛将发布国内外最新行业发展成果，交流发展经验，共同推动中国汽车零部件再制造行业进步。

此外，我还想诚挚邀请大家关注我们微信公众号中推出的“再制造公开课”栏目，该栏目将不定期邀请国内外再制造行业专家和优秀企业普及再制造概念、分享行业经验、介绍优势技术。

在此，我要真诚感谢荷兰阿姆斯特丹 RAI 国际会展中心和中国汽车工业协会汽车零部件再制造分会，在今年的艰难局势下，我们一起同舟共济，克服了很多困难，一起致力于推动国内外行业的交流。同时还要特别鸣谢河间市人民政府、中国欧盟商会和欧洲汽车工业协会对我们的支持。最后，向所有展会的筹备阶段给予我们建议和帮助的参展商、采购商、合作单位媒体朋友致以最崇高的敬意。

中国汽车零部件再制造产业将进入快速发展阶段，预计到 2025 年对产品的市场需求将达到 2000 亿规模。汽车再制造业发展行业市场空间巨大，熬过寒冬之后，未来一定可期。

随着疫情不断得到控制，行业逐渐恢复生机。我们会更加致力于为行业的贸易往来和技术交流注入新的活力，并利用我们的资源和渠道，促进市场、技术及行业间的交流。

中国机械国际合作股份有限公司
总经理
赵立志 先生

Distinguished guests, ladies and gentlemen,

On behalf of China Machinery Industry International Cooperation Co., Ltd. (Sinomach International), I would like to extend my warm welcome to all friends attending the 2020 Rematec Asia co-sponsored by Sinomach International and RAI Amsterdam Convention Centre with the support from the Remanufacture Committee of China Association of Automobile Manufacturers (CPRA).

This year marks a special period for China's manufacturing industry. Parts remanufacturers in China or even across the whole world are experiencing a stress test. However, in spite of all the difficulties, we need to forge ahead with firm determination. During the preparation for this event, we made great efforts in studying the resumption of work and production of enterprises. We have been focusing on key issues such as what measures will help enterprises come back on track faster, what policies under consideration are favorable and what approaches will promote connections among the enterprises, the buyers and the dealers.

Today, we gather here with great joy and witness the opening of the 2020 Rematec Asia. In addition to the top-class domestic remanufacturers, we also have some OE remanufacturers as well as foreign-funded remanufacturers with us at this exhibition.

In order to strengthen exchanges in the auto parts remanufacturing industry between China and Europe during the COVID-19 pandemic, the 2020 China-Europe Automotive Parts Remanufacturing Summit themed on "regulating the development of China's automotive parts remanufacturing industry" will be held parallel to the exhibition. Many distinguished figures have been invited to this summit, including leaders of national competent authorities in charge of auto parts remanufacturing, leading experts from research institutes, representatives of famous remanufacturers from home and abroad as well as remanufacturing departments of foreign-funded OE firms.

Activities held in Rematec Theater this year are worth expecting. In the three-day-long event, a series of technical discussions, matchmaking conferences and professional exchanges, which are characterized by new technologies, new products and new ideas will be conducted. In speeches to be delivered and at small forums during this exhibition, latest domestic and overseas industrial achievements will be released for professional exchanges so as to facilitate the development of China's auto parts remanufacturing industry.

Besides, I would like you to follow Open Class on Remanufacturing, a section in our official account on Wechat, where domestic and overseas leading experts and enterprises will share with us their ideas, experience and technological advantages in this industry on an irregular basis.

I hereby extend my sincere gratitude to RAI Amsterdam Convention Centre and CPRA. In the tough time of this year, we have overcome many difficulties through our joint hard work, promoting industrial exchanges between China and the rest of the world. I also would like to express my gratitude to the People's Government of Hejian, European Chamber of Commerce in China (EUCCC) and European Automobile Manufacturers Association (ACEA) for the support they have offered to us. Finally, I shall extend my best regards to exhibitors, purchasers, our partners and friends from the media for all the suggestions and assistance they have offered to us during the preparation for this event.

As China's auto parts remanufacturing industry is to enter a stage featuring fast growth, the market demand is estimated to be worth CNY 200 billion. In consideration of such a huge market space in this industry, we are sure to embrace a bright future after this tough period of time.

The auto parts remanufacturing industry is gradually gaining its vigor and vitality as the COVID-19 disease is being brought under effective control. We shall work harder to inject more vigor into the trade and technological exchanges of the industry and promote exchanges as for the market and technology as well as those with other industries.

China Machinery Industry International Cooperation Co., Ltd.

General Manager

Mr. Zhao Lizhi

大家好!

很高兴即将迎来 Rematec Asia 亚洲国际再制造展览会的召开。

过往的经历让我们欣喜地认识到,广州是中国汽车零部件再制造产业发展重要地区之一。因此,我们对于能够在广州召开 Rematec Asia 亚洲国际再制造展感到无比的期待!

同时我们也欣慰地看到,中国经济正从 COVID-19 所带来的挑战中复苏。尽管此次新冠疫情全球爆发给全球各行各业和人民带来了诸多挑战,但通过各方反馈,我们预见到中国汽车零部件再制造行业正在逐步恢复的光明前景。在主管部门的大力引导及行业同仁们的积极响应之下,行业管理办法、标准等正在最后完善过程中,这都为企业成长和深度发展提供了更好的环境与机会。

Rematec Asia 亚洲国际再制造展将进一步帮助您了解这些发展,并找到创新产品、解决方案和供应商。同时,借助同期举办的广州汽车售后市场展览会所带来的集约式资源效应,展览期间我们将倾力奉献行业商机,为您提供与众多再制造公司直面交流的机会。

诚挚邀请您参加展览期间同期举办的再制造高峰论坛、Rematec 中心剧场的演讲和其它多种形式的行业互动。最后,我谨代表荷兰阿姆斯特丹 RAI 国际会展中心,向展览的支持机构——中国汽车工业协会汽车零部件再制造分会、联合主办方——中机国际的指导、支持与合作表示由衷的感谢。

预祝各位在 Rematec Asia 亚洲再制造展上有所收获,满载而归!

RAI Amsterdam 荷兰锐昂国际展览集团
Yorien de Ruijter
Niels Klarenbeek

Ni Hao,

On behalf of the Rematec team at Amsterdam, our partners and Sinomachint, we are pleased to welcome you to Guangzhou.

With our experiences in the past years, we are delighted to have discovered Guangzhou is the epicentre of auto parts remanufacturing in China and we are happy to have Rematec Asia's continuation in the city. you

We are pleased to whiteness that Chinese economy is reviving from the challenges caused by COVID-19. Despite the challenges caused by COVID-19, we foresee a bright future for the industry as the remanufacturing of auto parts in China. This year positive developments have emerged regarding the auto parts remanufacturing in China. Rules & Regulations have been adjusted which give the business the opportunity to be able to grow and excel.

Rematec Asia will enable you to learn about these developments as well as find innovative products, solutions and providers. You will find many business opportunities. Meet a large amount of remanufacturing companies and benefit from the co-location with Auto Aftermarket Guangzhou.

The locations which you should not miss during the show is the CPRA remanufacturing Forum, the Rematec theatre and networking and social events.

We would like to thank our partners, CPRA and Simomachint for their knowledge, support and experience.

Wishing you three great days at Rematec Asia.

**On behalf of RAI Amsterdam,
Yorien de Ruijter
Niels Klarenbeek**

大家好！

很荣幸大家相聚于由中国机械国际合作股份有限公司和荷兰 RAI 展览公司联合主办,中国汽车工业协会再制造分会支持的亚洲再制造展览会(Rematec Asia)。在此,我谨代表中国汽车工业协会汽车零部件再制造分会对各位的到来表示热烈的欢迎和衷心的感谢。对各位嘉宾、新闻媒体朋友们以及各位参展商、采购商的光临表示热烈的欢迎和诚挚的谢意!

此次亚洲再制造展览会 Rematec Asia 2020 将再度携手百余家参展企业登场。展会将不仅侧重展览展示和商贸功能,集中展示国内外再制造最新技术和设备,更延伸至汽车再制造政策、技术、市场等领域的交流。如同期举办的“中国再制造 50 人论坛 2020 中欧汽车零部件再制造峰会”。峰会将邀请国家汽车零部件再制造行业主管部门领导、科研院所权威专家、国内外主要再制造企业参会,共同深入解读和研讨《报废机动车回收管理办法实施细则》、《汽车零部件再制造管理暂行办法》等汽车零部件产业政策的最新内容,发布国内国际最新汽车零部件再制造行业发展成果,交流国际再制造发展经验,共同推动中国汽车零部件再制造行业进步。

2020 年注定是极不平凡的一年。因受疫情影响,复工时间延后、业务量缩减甚至断单以及各种不确定因素,给汽车工业带来了严峻考验。所以参展不失为一个可以迅速恢复各行业贸易往来的捷径之一,把握住这一机遇,第一时间抢占市场。

当前中国汽车产业发展已经进入到关键平稳时期,新一轮技术革命为产业升级提供了广阔的空间和无限的机遇,虽然新冠疫情的爆发增加了产业转型的难度,但也倒逼了产业加快转型的速度。相信所有来宾都会在这里找到新的商机,满载而归。

中国汽车工业协会汽车零部件再制造分会

秘书长

谢建军 先生

Distinguished guests, ladies and gentlemen,

It is a great pleasure to gather here with you all at Rematec Asia 2020 co-sponsored by China National Machinery Industry International Cooperation Co., Ltd. (Sinomach International) and RAI Amsterdam Convention Centre with the support from the Remanufacture Committee of China Association of Automobile Manufacturers (CPRA). On behalf of the CPRA, I would like to extend my warm welcome and sincere appreciation to all friends attending Rematec Asia 2020. My welcome and gratitude also go to all the guests, friends from the media as well as exhibitors and purchasers!

Rematec Asia 2020 has again attracted over a hundred exhibitors. While focusing on exhibiting the latest remanufacturing technologies and equipment at home and broad and promoting trade and commerce, this year the exhibition will also conduct exchanges on auto parts remanufacturing policies, technologies, markets, etc., such as the 2020 China-Europe Automotive Parts Remanufacturing Summit by China Remanufacturing 50 Forum. The summit will invite leaders of relevant national authorities, experts from research institutes, and representatives of major remanufacturers at home and abroad to make an in-depth interpretation of and discussion about the latest automotive part policies including the Detailed Rules for the Implementation of Measures for the Management of End-of-Life Vehicle Recycling and the Interim Measures for the Management of Motor Vehicle Parts Remanufacturing. Moreover, they will release their latest progress in developing automotive parts remanufacturing at home and abroad and exchange relevant experiences, so as to jointly promote the further advancement of China's automotive part remanufacturing industry.

The year 2020 marks an unusual period. Due to the COVID-19 pandemic, production was delayed and orders shrank and were even canceled. All of the difficulties and uncertainties put the automotive industry to the test. Exhibiting can be a fast track for industries to resume trades. Exhibitors should seize this opportunity to gain a foothold.

The Chinese automotive industry has entered a key development stage as a new round of technological revolution has created a vast space and great opportunities for industrial upgrading. Though the pandemic caused challenges to industrial transformation, it also forced the industry to speed it up. All guests will find new business opportunities at this exhibition. We hope you all great success!

Remanufacture Committee of China Association of Automobile Manufacturers
Secretary-General
Mr. Xie Jianjun

同期活动

Fringe programme

10月10日, 星期六			
时间	活动内容	主持人	地址
2020中欧汽车零部件再制造峰会			
09:30-09:50	开幕致辞: 广东省、广州市领导致辞 中国汽车工业协会领导致辞 中国再制造50人论坛总召集人马荣致辞	李志刚, 中国汽车工业协会汽车零部件再制造分会秘书长	广交会威斯汀酒店 3楼宴会厅
09:50-10:05	国家发改委环资司结合即将发布的《机动车零部件再制造暂行管理办法》相关内容, 解读中国汽车零部件再制造产业政策趋势	张伟, 京津冀再制造产业技术研究院	
10:05-10:20	商务部流通促进司就《报废机动车回收管理办法》中有关五大总成再制造等相关内容做相关管理要求		
10:20-10:35	国家市场监督管理总局认证监管司解读汽车零部件再制造行业认证管理要求		
10:35-10:50	交通运输部维修管理处		
10:50-11:10	欧盟再制造行业代表介绍欧盟汽车行业再制造产业政策和实际做法	史配京, 京津冀再制造产业技术研究院副院长	
11:10-11:45	中国再制造50人论坛秘书长张伟发布中国再制造发展状况		
11:45-13:30	午餐		
14:00-16:00	中欧汽车再制造企业交流 1、欧州知名汽车制造企业发言 2、吉利汽车开展发动机再制造业务情况 3、德国著名汽车生产企业旧件回收体系建设 4、锦持再制造面向车辆保险领域的回收体系 5、国际知名汽车自动变速箱再制造介绍 6、柏科智能的汽车电子系统再制造技术	谢建军, 中国汽车工业协会汽车零部件再制造分会秘书长	

10月10日, 星期六			
时间	活动内容	致辞人	地址
16:00-16:30	茶歇		
16:30-17:30	中欧汽车再制造企业对话 1、汽车制造商的责任 2、创造良好的市场环境 3、如何在中国做好再制造业务	么新, 清华大学苏州环境创新研究院副院长	广交会威斯汀酒店3楼宴会厅

10月11日, 星期日

10:30-11:00	清洗, 一个容易被忽视的再制造工序	廖来州, 上海天实 机电设备有限公司 销售总监	Rematec 剧院 (二层3号馆)

Saturday 10 Oct			
Timeslot	Presentation	Speaker(s)	Location
2020 China-Europe Automotive Parts Remanufacturing Summit			
09:30-09:50	Opening address Speeches by leaders of Guangdong Province and Guangzhou Municipality; Speeches by leaders of China Association of Automobile Manufacturers; Speech by Ma Rong, Managing Director of China Remanufacturing 50 Forum	Zhigang Li, Vice Secretary General of Auto Parts Remanufacturing Branch of China Association of Automobile Manufacturers	The Grand Ballroom, 3rd Floor, the Westin Pazhou
09:50-10:05	Department of Resource Conservation and Environmental Protection, National Development and Reform Commission interprets the policy trend of China's automotive parts remanufacturing industry based on the upcoming Interim Measures for the Management of Motor Vehicle Parts Remanufacturing	Zhang Wei, Secretary-General of China Remanufacturing 50 Forum To issue the report on the development of China's remanufacturing industry	
10:05-10:20	Department of Circulation Industry Development, Ministry of Commerce elaborates on the requirements for the management of the five vehicle assemblies remanufacturing according to the Measures for the Management of End-of-Life Vehicle Recycling		
10:20-10:35	Department of Certification Regulation, State Administration for Market Regulation interprets the certification regulation requirements for the automotive parts remanufacturing industry		
10:35-10:50	Department of Maintenance Regulation, Ministry of Transport		

Saturday 10 Oct			
Timeslot	Presentation	Speaker(s)	Location
10:50-11:10	The representative of the European remanufacturing industry introduces the industrial policies and practices of the European remanufacturing industry	Zhang Wei, Secretary-General of China Remanufacturing 50 Forum To issue the report on the development of China's remanufacturing industry	The Grand Ballroom, 3rd Floor, the Westin Pazhou
11:10-11:45	Zhang Wei, Secretary-General of China Remanufacturing 50 Forum issues the report on the development of China's remanufacturing industry	Peijing Shi, Vice President, Institute of Remanufacturing Industry Technology	
11:45-13:30	Lunch		
14:00-16:00	Exchanges between Chinese and European automotive parts remanufacturers 1. Speech by well-known European automotive parts remanufacturers; 2. Introduction to Geely's progress in engine remanufacturing; 3. Introduction to a renowned German auto manufacturer's old auto parts recycling system; 4. Introduction to Shanghai Jinchi's recycling system targeting auto insurance; 5. Introduction to a world-renowned auto brand's automatic transmission remanufacturing; 6. Introduction to Pico's technology for automotive electronics remanufacturing.	Jianjun Xie, Secretary General of Auto Parts Remanufacturing Branch of China Association of Automobile Manufacturers	
16:00-16:30	Tea break		

Saturday 10 Oct			
Timeslot	Presentation	Speaker(s)	Location
16:30-17:30	<p>Dialogues between Chinese and European automotive parts remanufacturers</p> <ol style="list-style-type: none"> 1. On the responsibilities of auto manufacturers; 2. On creating a sound market environment; 3. On how to develop remanufacturing business in China. 	<p>Xin Yao, Vice President, Suzhou Environmental Innovation Research Institute, Tsinghua University</p>	<p>The Grand Ballroom, 3rd Floor, the Westin Pazhou</p>

Sunday 11 Oct			
Timeslot	Presentation	Speaker(s)	Location
09:30-10:00	Welcome to Rematec Asia	Niels Klarenbeek & Yorien de Ruijter , Directors remanufacturing events	Rematec Theater (2nd Floor, Hall 3)
10:30-11:00	Analysis of Hydraulic Control Technology of Automatic Transmission	Yaowen Zhong, Engineering Director of Guangzhou	Rematec Theater (2nd Floor, Hall 3)
11:00-11:30	China Remanufacturing Successful Factors	Mike Yu, General Manager of iRM eCommerce Shanghai Co., Ltd Huadu Global Automatic Transmission Co., Ltd.	Rematec Theater (2nd Floor, Hall 3)
